Structure and Contents

The book is meticulously structured into three parts, each addressing key aspects of the law of international organizations:

1. **Part I: Formation and Structure** - Examines the establishment, composition, and internal organization of international organizations, including the legal personality, membership, organs, and decision-making processes.
2. **Part II: Functions and Powers** - Explores the various functions and powers exercised by international organizations, ranging from treaty-making and peacekeeping to economic and social development.
3. **Part III: Privileges and Immunities; Responsibility** - Addresses the legal privileges and immunities accorded to international organizations and their officials, as well as the principles of international responsibility applicable to their actions.

In-Depth Analysis and Case Studies

The book provides an in-depth analysis of the legal principles and practices governing international organizations, supported by a wealth of case studies and examples. Each chapter features:

- **Comprehensive overviews** of key legal concepts and doctrines
- **Expert commentary and analysis** by leading scholars and practitioners
- **Selected case excerpts** illustrating the application of legal principles in real-world scenarios
- **Discussion questions and exercises** to foster critical thinking and enhance understanding

Key Features

This comprehensive volume offers several key features that make it an exceptional resource for legal professionals and academics:

- **Authoritative Coverage:** Written by renowned experts in the field, it provides authoritative insights into the law of international organizations.
- **Comprehensive Scope:** Encompasses all major aspects of the subject, from formation to functions, privileges, and responsibilities.
- **Practical Approach:** Includes practical guidance and case studies to help practitioners navigate the complexities of international organizations.
- **Pedagogical Features:** Discussion questions, exercises, and suggested readings enhance learning and critical engagement.

Target Audience

This book is an invaluable resource for a wide range of professionals and scholars, including:

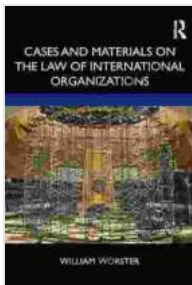

- **Legal practitioners** specializing in international law, human rights law, and international arbitration
- **Academics** teaching and researching in international organizations and international law
- **Students** pursuing graduate studies in law, political science, and international relations

- **Diplomats, policymakers, and government officials** involved in multilateral affairs

Cases and Materials on the Law of International Organizations is an indispensable resource for anyone seeking a comprehensive understanding of the legal framework governing international organizations.
