Fair Play Modern Plays Ella Road is a new collection of plays from some of the most exciting voices in contemporary theater. The plays explore themes of identity, justice, and the human condition.

Identity

The plays in Fair Play Modern Plays Ella Road explore the complex and multifaceted nature of identity. In "The Wolves," Sarah DeLappe's play about a girls' soccer team, the players grapple with their own identities as they navigate the challenges of adolescence and the pressures of competition. In "Hurricane Diane," Madeleine George's play about a woman who is struggling to come to terms with her own past, the protagonist grapples with her identity as a daughter, a sister, and a wife.

Justice

The plays in Fair Play Modern Plays Ella Road also explore the theme of justice. In "The Insanity of Mary Girard," Lanier Robertson's play about the

Salem witch trials, the protagonist grapples with the injustice of her own trial and execution. In "The Agony and the Ecstasy of Steve Jobs," Mike Daisey's play about the late Apple CEO, the protagonist grapples with the legacy of his own success and the cost of his ambition.

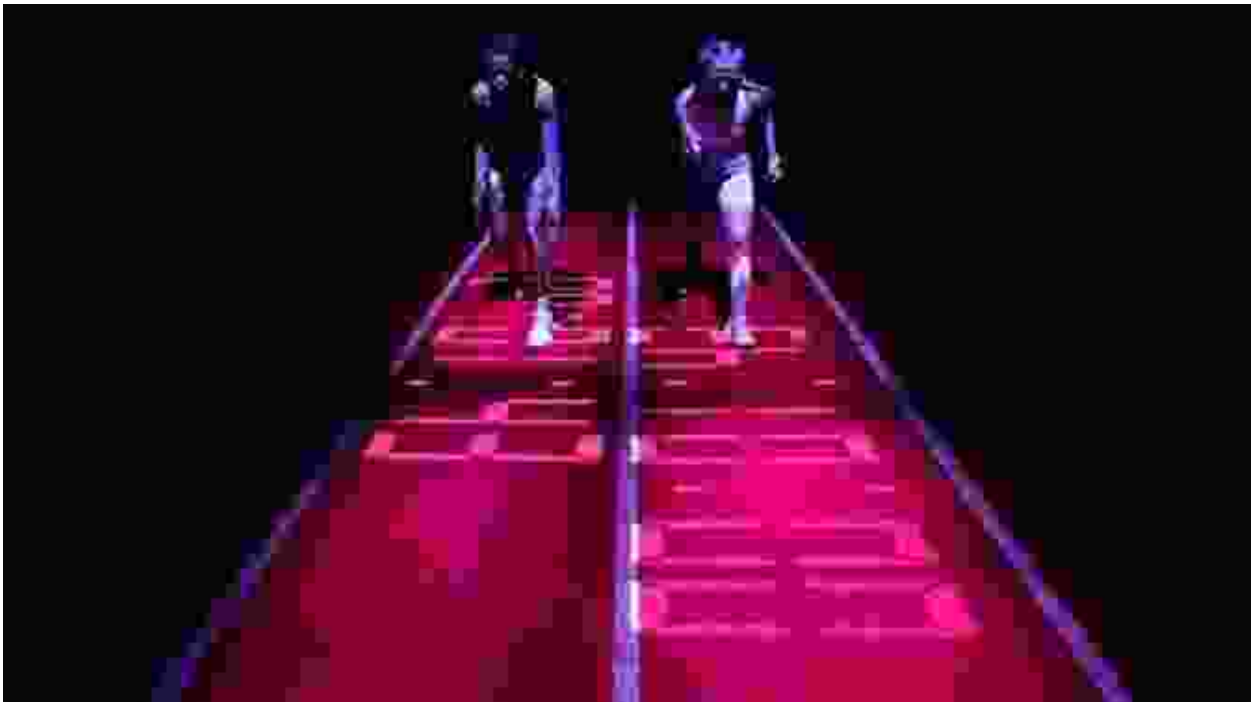

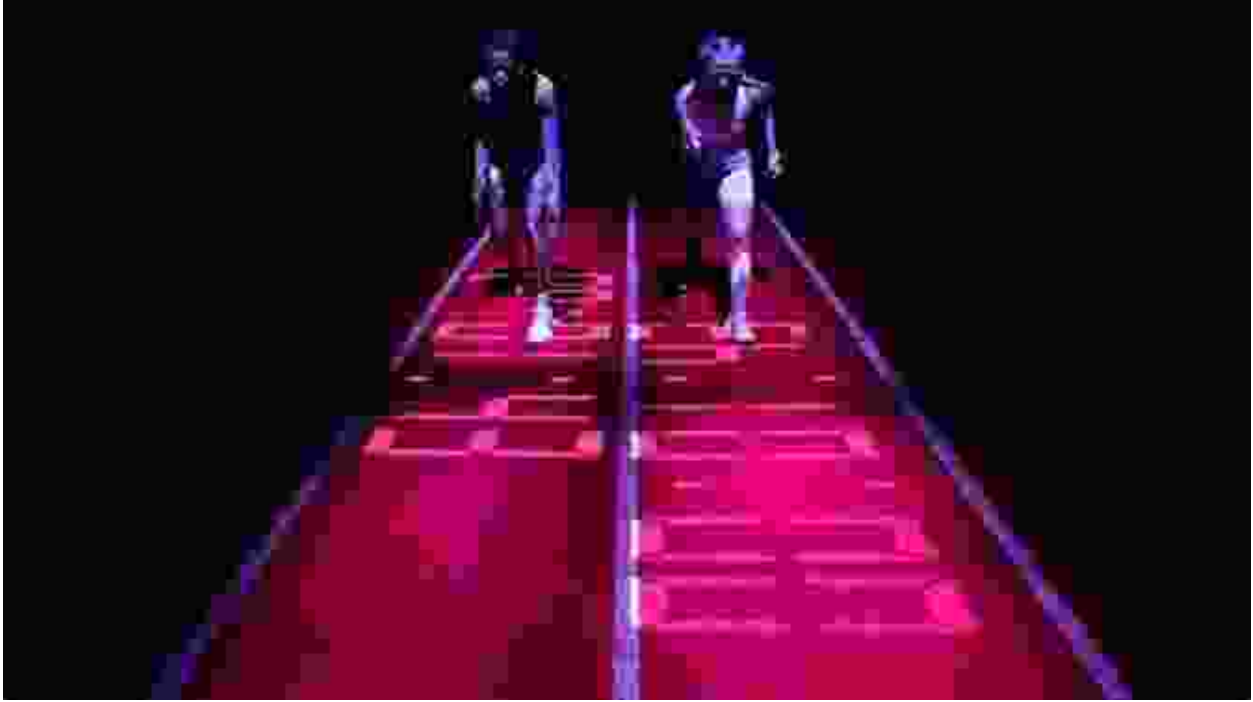

The Human Condition

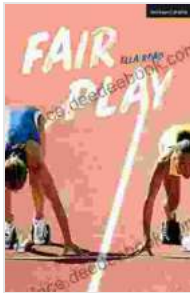

The plays in Fair Play Modern Plays Ella Road ultimately explore the universal human condition. In "The Aliens," Annie Baker's play about a group of people who are living in a boarding house, the characters grapple with their own loneliness and isolation. In "The Flick," Annie Baker's play about a group of employees at a movie theater, the characters grapple with their own dreams and ambitions.

Fair Play Modern Plays Ella Road is a powerful and moving collection of plays that explore the most important issues of our time. The plays are beautifully written and thought-provoking, and they will stay with you long after you have seen them.

If you are looking for a challenging and rewarding theater experience, then I highly recommend seeing Fair Play Modern Plays Ella Road. The plays are sure to spark important conversations and stay with you long after you have seen them.
