

# The Aussiepom: Care, Behavior, Diet, Interacting, Costs, and Health Care

The Aussiepom is a hybrid dog breed that is a cross between the Australian Shepherd and the Pomeranian. They are known for their intelligence, loyalty, and playful nature. Aussipoms are typically small to medium-sized dogs, with a weight range of 15 to 30 pounds. They have a thick, double coat that can come in a variety of colors, including black, white, brown, and red. Aussipoms are relatively easy to care for, but they do require regular exercise and mental stimulation to stay happy and healthy.

## Care

Aussipoms are relatively easy to care for, but they do require regular exercise and mental stimulation to stay happy and healthy. Brushing their coat several times a week is important to prevent mats and tangles. They should also be bathed every 2-3 weeks. Aussipoms are intelligent dogs,

and they enjoy learning new things. Obedience training is a great way to provide them with mental stimulation and help them bond with their owners.

## **Behavior**

Aussipoms are known for their intelligence, loyalty, and playful nature. They are also very protective of their family and home. Aussipoms are typically good with children, but they can be wary of strangers. They are also known to be barkers, so it is important to train them early on to stop barking excessively.

## **Diet**

Aussipoms should be fed a high-quality diet that is appropriate for their age and activity level. They should be fed two to three meals per day, and their food should be divided into equal portions. Aussipoms are prone to obesity, so it is important to monitor their weight and adjust their diet accordingly.

## **Interacting**

Aussipoms are social dogs who enjoy spending time with their family and friends. They are also very playful, and they love to play fetch and other games. Aussipoms are also very intelligent, and they enjoy learning new things. Obedience training is a great way to provide them with mental stimulation and help them bond with their owners.

## **Costs**

The cost of owning an Aussiepom can vary depending on the breeder, the age of the dog, and the location. The average cost of an Aussiepom puppy is between \$500 and \$1,000. The cost of food, vet care, and other supplies can add up to an additional \$500 to \$1,000 per year.

## Health Care

Aussiepoms are generally healthy dogs, but they are prone to certain health conditions, including hip dysplasia, elbow dysplasia, and eye problems. It is important to take your Aussiepom to the vet for regular checkups to ensure that they are healthy and to catch any potential health problems early.

The Aussiepom is a great dog for families and individuals who are looking for a loyal, playful, and intelligent companion. They are relatively easy to care for, but they do require regular exercise and mental stimulation to stay happy and healthy. If you are thinking about getting an Aussiepom, be sure to do your research and find a reputable breeder. With proper care and attention, your Aussiepom can be a loving and loyal companion for many years to come.
