

The Routledge Hispanic Studies Companion To Colonial Latin America And The Caribbean (1492 1898) (Routledge Companions To Hispanic And Latin American Studies)

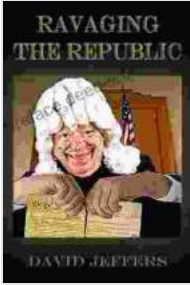

An Indispensable Resource for Scholars and Students

The Routledge Hispanic Studies Companion to Colonial Latin America and the Caribbean serves as an indispensable resource for scholars and students studying the colonial era of this historically rich region. With over 50 original essays penned by a team of eminent historians, this comprehensive companion offers a multifaceted exploration of the political, economic, social, cultural, and religious dynamics that shaped this pivotal period.

Historical Background

The era of colonial Latin America and the Caribbean spanned from the late 15th century to the early 19th century, witnessing the arrival of European powers and their profound impact on the region. Spain, Portugal, France, and England established vast empires, imposing their political, economic, and cultural systems upon the indigenous populations. The resulting encounter between European and indigenous cultures gave rise to a rich tapestry of new societies and identities.
