Women of the upper class have played a significant role in the political economy throughout history. They have been involved in politics, economics, and social reform, and have often used their wealth and influence to promote their own interests and the interests of their class. In this article, we will explore the role of women of the upper class in the political economy, and how their actions have shaped the world around us.

Women in Politics

Women of the upper class have been involved in politics for centuries. In some cases, they have held positions of power and influence, while in other cases they have worked behind the scenes to support their husbands or other male relatives. In the United States, for example, Abigail Adams was a close advisor to her husband, John Adams, and is credited with helping him to write the Declaration of Independence. In the United Kingdom,

Margaret Thatcher was the first female Prime Minister, and served in that role from 1979 to 1990.

Women of the upper class have also been involved in social reform movements. In the United States, for example, Susan B. Anthony and Elizabeth Cady Stanton were two of the leading figures in the women's suffrage movement. In the United Kingdom, Millicent Fawcett was a leading advocate for women's rights, and helped to found the National Union of Women's Suffrage Societies.

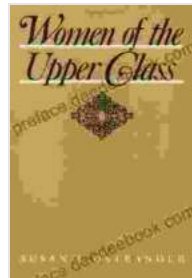

Women in Economics

Women of the upper class have also been involved in economics. In some cases, they have owned and operated businesses, while in other cases they have worked as economists or financial advisors. In the United States, for example, Hetty Green was a wealthy businesswoman who was known for her thrift and her shrewd investments. In the United Kingdom, Harriet Martineau was a pioneering economist and social reformer who wrote extensively about the role of women in the economy.

Women of the upper class have also been involved in philanthropy. In the United States, for example, Anne Vanderbilt was a wealthy heiress who donated millions of dollars to charity. In the United Kingdom, Caroline Astor was a prominent socialite who founded the Astor Home for Children.
